WORTHINGTON ENERGY INNOVATIONS

We Design It, We Supply It, We Make It Work

Worthington Energy Innovations is a technology firm and turnkey solutions provider. Founded on innovation, bringing aeronautical engineering science, wind tunnel technology, and the thermodynamics of the mass flow of air to commercial, institutional, and industrial facilities. Focused on the concept of recycling energy within a building, typically reducing 40% of a building's energy usage. Projects ranging in size from \$2M-\$200M.

Utility Service Agreement – opportunity to consider buying the performance of WEI's innovative technologies with a guarantee, a warranty and no upfront capital.

Good Scout Award Recipient

Frank Smith

Frank Smith has over 35 years' experience in the areas of construction, real estate development, property management and brokerage. Mr. Smith was the former General Partner in the largest commercial real estate development firm in the Lehigh Valley. He has personally overseen the construction of approximately five million square feet of new buildings and two million square feet of tenant improvement work. This background translates into a host of benefits NAI Summit can offer owners as consultants, developers and property managers. His in-depth knowledge of tenant requirements and costs, building construction and maintenance, as well as long-standing relationships with local vendors allow Summit to offer efficiency in procurement of services necessary in the operation of real estate. In his role as a principal of NAI Summit, Mr. Smith oversees development, management, and administrative functions associated with NAI Summit's portfolio. Frank studied civil engineering at Temple University and is a CPM® (Certified Property Manager), a designation awarded by the Institute of Real Estate Management (IREM) of the National Association of Realtors® to professional real estate managers who have distinguished themselves in the areas of experience, education and ethical conduct. He is also a CCIM (Certified Commercial Investment Manager) with the Commercial Investment Real Estate Institute (CIREI) an affiliate of the National Association of Realtors®. CCIMs are recognized experts in commercial real estate brokerage, leasing, asset management, valuation and investment analysis and form a business network encompassing 1,000 markets throughout North America.

Frank is a committed community leader who serves on multiple nonprofit organizations including Boy Scouts of America and March of Dimes. Outside of the office, Frank spends his time as an outdoor enthusiast photographer and enjoys hiking and family time.

Scouting

**HELPS YOUTH
BE PREPARED
FOR LIFE**

Scouting builds character, leadership, and achievement in youth and helps build stronger families, schools and communities.

SCOUTING LEADS TO

- Increased levels of academic success
- Higher high school & college graduation rates
- Rating personal physical fitness as excellent
- Higher self confidence
- Being better prepared to handle emergencies
- Being a leader among their peers
- Believing that they should help others in need

BECOME A FRIEND OF SCOUTING

All Scouting is local and provided through dedicated volunteer leaders delivering a quality program of character development, leadership, citizenship, and achievement. In Minsi Trails Council, Scouting is much more than something you do ... it's about building youth with strong character who will develop self confidence and teamwork to become tomorrow's leaders.

You can help our local Scouting grow by becoming a Friend of Scouting. All gifts given locally stay here in our area to make local Scouting happen.

Make a positive difference for our youth through your gift today.
